

FEDERAL COURT JUDGES

sitting in

MASSACHUSETTS

The following biographies of Federal Court Judges sitting in Massachusetts were compiled during the summer of 2022. Each judge was sent a questionnaire and responded by listing year of current appointment, prior judgeships, birth dates, education and previous legal employment. Some judges also provided additional information relating to teaching positions, professional associations, honors and awards, and published works. The questionnaire was informal and voluntary. Entries for judges who did not respond to the questionnaire were compiled from secondary sources, including public records and our archives.

STATE COURT JUDGES

sitting in

MASSACHUSETTS

The following biographies of State Court Judges sitting in Massachusetts were compiled during the summer of 2022. Each judge was sent a questionnaire and responded by listing year of current appointment, prior judgeships, birth dates, education and previous legal employment. Some judges also provided additional information relating to teaching positions, professional associations, honors and awards, and published works. The questionnaire was informal and voluntary. Entries for judges who did not respond to the questionnaire were compiled from secondary sources, including public records and our archives
